SUPER 20 GOLF SERIES

Corporate Golf is one of the most participated sport in the corporate world. It has been recognised as a great way to entertain clients in a relaxed environment.

The Super 20 Golf Series was formed and developed by Matthew Laverty Corporate Golf Pty Ltd as a result of requests from existing corporate golf clients to conduct exclusive VIP events for approximately 20 players.

This allows corporations the opportunity to market and entertain VIP clients within their industry on the golf course. This provides a truly unique opportunity to capture clients for up to 6 hours at a time in a relaxed environment.

Matthew Laverty Corporate Golf has access to some of Australia's most prestigious golf clubs.

These events have become very popular and enlightened companies are hosting two or three Super 20 Series Golf Days rather than hosting the traditional 100 person event.
